# Signature Munich

---

European Business Aviation News (EBAN) 2011 Survey listed Signature Munich as #7 in its top 23 European FBOs list.

Aviation International News (AIN) 2011 Survey listed Signature Munich as #4 in its top 27 International FBOs list.

Located 20 miles from the city centre, Munich airport and our facility offers our clients VIP handling services with minimal traveling times, enabling you to maximise your work schedule. The airport is 500 metres from E53 motor way, which give immediate connection to all destinations.

The region is rich in tourist attractions being located very near several famous historical sites, castles and museums. Several golf courses are located within an area of 30 miles around the airport. With a variety of hotels within or near the city we can ensure you a very pleasant stay.
