Mobile, Alabama

Mobile is located on the Gulf Coast and has unique attractions, exciting outdoor adventures, fascinating museums, 21 world-class golf courses, white sandy beaches, and beautiful historic homes.

Mobile is also known as celebrating the first-known American Mardi Gras celebration in 1703 (yes, even before New Orleans), but also as home to the "America's Family Mardi Gras" delighting both young and old from around town and across the nation. This magnificent celebration lasts for over two and a half weeks and culminates on Fat Tuesday, the day before Lent.
