# Welcome to Berlin

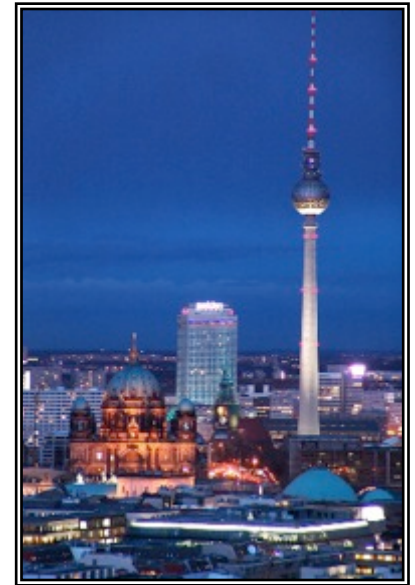

Berlin – the capital of Germany and one of the most famous cities in the world!

A city of contrasts! Visit the Brandenburger Gate, Checkpoint Charlie and the east side gallery to learn Berlin's history or visit the Potsdamer Platz to experience Berlin as it is now.

For fun in Berlin, you can visit one of its many different museums (the Bode, Pergamon Museum, etc.), go to one of its multicultural neighborhoods (Prenzlauer Berg, Unter den Linden or Friedrichstraße) for dining and nightlife or you can go on a river sightseeing tour where you will notice that Berlin has more bridges than Venice.
